Practically

I presume it
will happen ^{July 25/11} if you wish
but, I do not wish to
foreclose upon my own
power over my sermon,

My dear Sir

Will you send me
a slip proof & let me
change the sentence
to another.

I will avoid the point
which you allude to,
by way of limitation,
But, I do not think

wish to leave it in the hands
of a permanent future
arrangement. The case
is fixed so as to avoid
both extremes.

I did not understand
the contract as running for
two years: inasmuch
as I had under con-
templation at the time

a proposal made to me
to edit a paper of
my own. In which
case, I sh^d. of course
wish to publish my own
Lantern. - ~~As between~~
